教育理念
Our Philosophy

文理兼通、中西合璧的新型博雅教育
A new liberal arts college to serve China and the world

2005年，经教育部特批，北京师范大学和香港浸会大学携手在广东省珠海市创立北师港浸大。

北师港浸大是首家中国内地与香港高等教育界合作创办的大学，也是国内第一所践行博雅教育理念的现代大学。

Approved by China's Ministry of Education in 2005, Beijing Normal University and Hong Kong Baptist University jointly founded UIC in Zhuhai.

UIC is the first full-scale cooperation in higher education between mainland and Hong Kong, and is the first modern college in China that upholds a liberal arts education.

博雅大学是什么样的？博雅教育关注学生个体发展，注重个人心智的开启与扩展以及人格的培养和塑造，而非局限于传授某一狭窄领域的知识和技术。北师港浸大的博雅教育强调师生关爱，秉承全人教育办学理念，推行创新的四维教育及国际化办学模式。

What is a liberal arts college? A liberal arts education is student-centred and cultivates open-minded, well-rounded talents, enabling students to really dig into in their academic field of expertise with an interdisciplinary approach. UIC's education encourages a high level of student-teacher interaction, mentorship and collaboration. The College is committed to advancing the internationalisation of Chinese higher education and takes the lead in implementing Whole Person Education and Four-Point Education.

全人教育"教"什么?
What is Whole Person Education?

全人教育关注每个学生的智力、道德、体能、审美、社会情感和精神潜质的全面发展，推行体验式学习方式，激励学生自我教育，实践出真知。

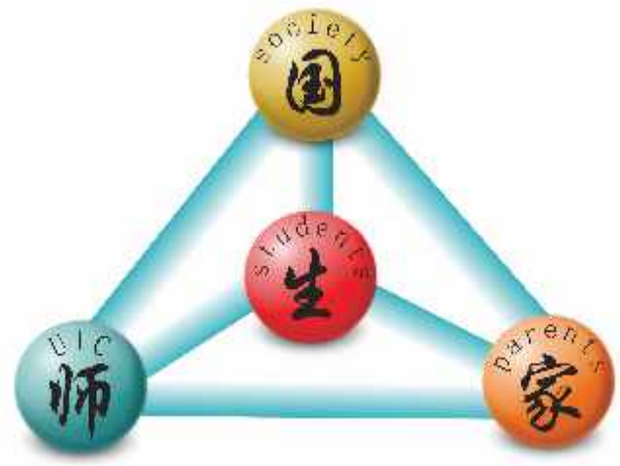

Whole Person Education is concerned with the growth of a person's intellectual, moral, physical, social, emotional, artistic and spiritual potential. Strong emphasis is put on Experiential Learning, in which students are inspired to initiate their own education and learn by doing.

四维教育又是什么?
What is Four-Point Education?

“四维”即师（学校）、生（学生）、家（家庭）、国（社会），它以学生为本，集合学校、家庭和社会的力量，透过四方的良性互动，全方位地关爱和帮助学生健康成长。

With students being the centre of this model, the College, the students, the parents, and society are closely connected to enhance the education process. Making use of the interrelation between these four points, we draw on the best possible resources to groom students holistically.

学术体制
Academic System

学术和管理上，和内地大学不同的是……

本科毕业生获颁北师港浸大毕业证书和香港浸会大学学士学位。硕士及博士研究生获颁香港浸会大学学位证书。

English is the medium of instruction. UIC's curriculum is set up in line with Hong Kong Baptist University's academic standards and fulfils its quality assurance requirements. UIC encourages a healthy student-teacher interaction that benefits both parties in terms of mentorship and collaboration. A liberal arts college features small class sizes and a lower student-to-faculty ratio. In and outside the classroom, UIC professors are dedicated to teaching and mentoring students.

UIC has an international staff with lecturers and professors from more than 30 countries and regions. UIC enrols top-tier students from 30 provinces and regions of mainland China as well as Hong Kong, Macao, Taiwan and overseas. 文化传承
Embracing Cultural Roots

中华文化在这里传承

We also foster an interest in Chinese culture.

北师港浸大开设国情国学教育，并举办各类学术活动，帮助学生了解中国政治、经济、社会、文化等各方面的发展。学生在学习中国哲学、古琴、射道、雅乐和陶艺等课程时，感受中华文化的魅力。北师港浸大的中华文化传播研究院，也为优秀文化的传播助力。

UIC provides a Chinese culture and society education programme and various academic activities to help students learn the development of China's politics, economy, society and culture. Students and staff can experience the glamour of Chinese traditional culture through courses offered by the Chinese Language and Culture Centre and the Whole Person Education Office. Topics include Chinese philosophy, guqin (an ancient Chinese zither), shedao (Chinese archery), Yayue (literally elegant music or court music) and ceramics. In addition, the Research Institute for Dissemination of Chinese Culture is also contributing to the promotion of Chinese culture.

此外，学生建立传统艺术文化体验社、舞龙舞狮队、太极社等社团和组织，培养文化兴趣，发扬优良传统。

There are also student groups with a focus on traditional Chinese culture, including the Traditional Arts Club, the Lion Dragon Dance Team, the Tai Chi Club and more.

宿舍是融生活、学习、教育于一体的社区

Student hostels are communities that combine living, learning and education.

全校学生均要入住宿舍。学生宿舍是全新概念的生活区，共分八个苑舍。苑舍不仅是休息的场所，更是生活的大课堂，是贯彻全人教育的平台。

All students are required to live in the student hostels. The student hostels are formed into eight halls. These halls are not only a place of residence, but also a well-designed part of the Whole Person Education environment.

博雅苑	Liberal Education Hall
文雅苑	Literary Education Hall
卓雅苑	Excellence Education Hall
寰雅苑	Global Education Hall
科雅苑	Scientific Education Hall
智雅苑	Wisdom Education Hall
德雅苑	Moral Education Hall

北师港浸大的苑舍推行舍堂文化，每个苑舍都有教师担任舍监和导师，在学习和生活上给予指引和帮助。学生们不仅共享生活空间，各个苑舍还经常举办丰富多彩的主题活动，营造和谐、活跃的社区氛围。

为了让新生迅速适应大学生活，导师关顾计划（MCP）成了学校的一大特色。教师担任导师、高年级学生担任朋辈导师，导师们经常与新生保持联系，为学生提供学习和生活方面的指导、建议和支持。

UIC promotes “hall culture” with an emphasis on the communication and interaction between students and teachers. Wardens and resident tutors live with students in the halls to provide positive influence and guidance. Residents organise inter-hall activities and form an active, harmonious community.

We also provide the Mentor Caring Programme (MCP) , where mentors (teachers) and peer mentors (senior students) advise and support mentees (freshmen) on their daily lives to help them quickly adjust to university life.

你能想象学生活动多丰富吗？

校园气氛活跃，学生活动丰富多样。北师港浸大鼓励学生发展兴趣爱好，已有学术类、文化艺术类、义工服务类、体育运动类、社会企业类等80个学生社团及组织。学生采用内阁竞选、自主投票的方式组成学生会干事会。学生会和学生社团举办的各类活动不仅极大丰富了校园生活，也锻炼了学生的组织能力和责任感。

扎实的专业基础，全面素质的发展，以及较好的英文能力，让北师港浸大学生在各类比赛中锋芒渐露，多次在全国性乃至世界性赛事中获奖。

北师港浸大鼓励师生服务社会，参与公益事业。通过走进社会、亲身参与社区服务，增强社会服务体验，锻炼学生的服务型领袖才能，培养全人精神和社会责任感。

We have an open campus with an abundant array of student activities.

Students are encouraged to develop their interests and hobbies in 80 interest clubs and groups related to academics, arts and culture, sports and outdoor activities, voluntary services and social enterprises. The Student Union and all the student clubs organise a variety of activities which enrich students' campus life and enable them to learn from each other, work in teams and experience what it is to be part of an organisation.

Equipped with a sturdy knowledge base, whole-person development and good English skills, our students have achieved numerous great results when competing against students from other universities in national competitions and even at a global level.

UIC encourages staff and students to participate in service activities and programmes that can benefit the wider community. By this, students can gain social service experience and develop their servant leadership, whole person spirit and civic responsibility.

校园活动丰富=学习松懈？不……

We set rigorous academic standards and provide abundant learning opportunities.

校园活动如此丰富，是否意味着学习比较松懈？不然。被学生戏称为“四年高三”的大学生活并非虚名。北师港浸大有严格的品质保证体系和平均绩点(GPA)制度，保证教学质量。因此，学生要学会时间管理，课堂上学习刻苦，在课堂外花大量时间钻研课业、与小组讨论，以期达到相当高的学术水平。

学校学术氛围浓厚，寒暑假里学生也不会抛弃学习，海外游学、企业实习、假期英语强化课程等充实着学子的每一天。

UIC follows a strict Quality Assurance System and GPA System to ensure education quality. Thus our students spend a great deal of time and effort on their individual and group assignments in order to achieve a high academic level.

Even in summer and winter holidays, students do not waste time. They join overseas summer programmes, internships, complete the Vacation English Enrichment Programme and more.

北师港浸大是一所公益性大学，办学经费绝大部分来自学费。为使更多优秀学生接受北师港浸大的优质教育，学校积极创造条件，为学生提供更多奖助学金。

UIC is a non-profit college and supports itself mostly through tuition. Even so, it presents multiple scholarships to reward students with excellent academic performance.

毕业了，我们走向世界各地，服务各行各业

北师港浸大采用教学成效评估方法，力求毕业生具备“公民、知识、学习、技能、创意、沟通和群体”七大特质，以保证接轨国际的教育品质。截至2018年，北师港浸大共有10届近10,000名校友遍布世界各地，去向以深造和就业为主，少部分学生选择自主创业。

We have nurtured excellent graduates and never stop nurturing.

The Outcomes-Based Teaching and Learning approach ensures internationally recognised quality and excellence in education, and equips graduates with seven key attributes: citizenship, knowledge, learning, skills, creativity, communication and teamwork. As of 2018, almost 10,000 students have graduated from UIC and continued their academic and professional life in China or abroad.

In recent years, nearly 70% of UIC's graduates have opted for postgraduate studies in well-known higher institutions in the UK, the US, Australia, Hong Kong, and other countries and regions. The institutes where they further their academic development are, amongst others, the University of Oxford, the University College London, Imperial College London, Columbia University, Australian National University, the University of Hong Kong, and Hong Kong Baptist University.

The rest of them make good use of their talents to serve society in famous financial institutions, foreign enterprises, state-owned corporations and government agencies, such as the Big Four accounting firms, the Bank of China and China's Ministry of Foreign Affairs. Some have been offered jobs in overseas companies and some have started their own businesses.

教育为社会服务

作为中国博雅教育先行先试的探索者，北师港浸大可谓粤港澳大湾区形成合力的产物。北师港浸大将“融入本土社区、服务社会”作为办学理念之一，自建校以来积极整合大学资源，回馈社会。例如，北师港浸大与珠海市政府、横琴新区、市社会福利中心等机构和组织牵手，在食品安全、养老服务、文化创意、教师英语培训、计算机科学、体育规划等领域展开合作。学校也有多位教授在不同的社会机构中担任专家、顾问等角色，为社会发展献计献策。

北师港浸大落户珠海，粤港合作多了一条纽带。学校积极利用自身优势，促进内地与香港青年及学者的交流合作；也通过举办夏令营等活动，迎接了不少香港学校和组织的访问团。

We serve the community. Education for society.

As a pioneer in China's liberal arts education, UIC is the product of the integration of Guangdong-Hong Kong-Macao Greater Bay Area, and has actively engaged itself in local development with its educational resources. UIC has cooperated with the local government, agencies and institutions in supporting the development of various fields including food safety, elderly services, English teacher training, computer science, culture and creativity industries plus more. In addition, many UIC professors serve as experts, consultants and in other roles in external institutions to give their advice on social development in a variety of community-related areas.

UIC has been acting as a bridge to connect young people as well as scholars from mainland China and Hong Kong. It has also welcomed many guests from universities and organisations in Hong Kong by organising summer camps, tours as well as more.

“During the four years' studying at UIC, I experienced the charm of liberal arts education. The most essential thing is to learn how to adjust myself to strike a balance.
